Education

Aditya Engineering College, Surampalem

B.tech in Artificial Intelligence & Machine Learning

Sri Chaitanya Jr. College, Rajahmundry

Intermediate M.P.C

Z. P. High School, Diwancheruvu

10th Standard

Expected graduation date: Jun. 2026

GPA: 8.93* /10 till 6th sem

2020 – 2022

PERCENTAGE : 74 %

2019 – 2020

PERCENTAGE : 95 %

Work Experience

Software Designer Intern – NYROS Technologies, Kakinada [Link](#)

Jun. 2024 - Jul. 2024

Software Designing Intern

HTML, CSS, JavaScript, Figma, Wireframing

- Created intuitive user interfaces for various web applications, such as an online shopping site, a bike gallery, and a shopping platform for Blue Origin.
- Utilized Figma and front-end technologies to design responsive UI layouts that improve user experience and accessibility.

Director of Community Services – Rotaract Club of RRC AEC [Link](#)

2024 - Present

Community Service Director

Leadership, Team Coordination, Event Planning

- As the Director of Community Services at Rotaract Club of RRC AEC Surampalem, I led community outreach initiatives, organizing meaningful social service programs and events.
- I worked closely with teams to enhance community engagement, successfully implementing service projects that promoted social responsibility and leadership.

Projects

SpaceX-Themed Interactive UI Design [Link](#)

HTML, CSS, Javascript

- Designed and developed a SpaceX-themed user interface using HTML, CSS, and JavaScript, ensuring a sleek and responsive design.
- Focused on UI/UX best practices, optimizing layout, typography, and interactive elements for an engaging user experience.
